

P PURSUIT

C 260 CENTER CONSOLE

The all new C 260 features an extensive list of standard equipment consistent with the award-winning product Pursuit has introduced in recent years.

Yacht-caliber fit and finish, timeless styling and modern appointments set the stage for a new generation of luxurious Pursuit Center Consoles.

All molded hatches throughout the boat are finished inside and out. Interior highlights include bow storage port and starboard, an optional thru-hull windlass system in the bow, forward opening head access and a custom surfboard styled, vacuum-infused hardtop.

The helm is protected by a curved, recessed acrylic windshield built to accent the stylish lines throughout the interior and exterior appointments.

Captain and crew share a double-wide adjustable leaning post/seat arrangement. Finished with such fishy details as a 30 gallon livewell, 31 gallon insulated fish storage box and separate cooler in the transom, visit your Factory Authorized Pursuit Dealer today to test drive a new C 260.
